HOW CAR HIRE WORKS.

["Car Hire 3000.IE"](#) is a broker offering the best prices with whom Case Perrotta Farm Holiday Centre has an agreement.

If you book **from our Site** and stay for **at least 2 nights** at Case Perrotta, you will have a **further discount** on your car hire.

At the end of your tour of Sicily you can leave the car at a different airport or city to the one in which you picked it up (even if in this case there could be additional one way costs).

DISCOUNT: after booking your car, [only through our web site](#), we'll know how much discount to take off your final hotel bill (we'll keep a small fee for administrative expenses, up to a maximum of €5,00).

All you have to do is show us your car hire contract when you ask for your bill.

For example: if you book a **small, inexpensive car for 1 week**, even if you stay with us for 2 nights, **you'll still save about € 13,00/€ 18,00** on your car hire.

The bigger the car and/or the longer the stay, you're the higher the discount.
